Authorization for this examiner's amendment was given in a telephone interview with Rabinder N. Narula on August 29, 2005.

The application has been amended as follows:

Claim 9, line 3 "a portal, the proximal portion" has been changed to --the distal portion--;

Claim 9, line 11 "extend" has been changed to --extends--;

Claim 41, line 3 "the proximal portion" has been changed to --the distal portion--.

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose all of the limitations of the claims including an inflatable connection rod inserted within the portal of a bone screw.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
